

Waiver and Daycare / Boarding Agreement

I understand that my dog will be cared for according to my instructions and the terms outlined in the agreement below:

Play and Safety Acknowledgment

I accept that injuries can occur when dogs play together. Teeth may catch on fur or ears during play, and rough play is possible. I acknowledge that the resort staff are trained and attentive to dog interactions, but I understand that accidents can happen despite their best efforts. I trust that the staff will do everything in their power to care for my dog(s), but I understand that Randr Pups will not be held responsible for injuries resulting from accidental situations.

Veterinary Care

If it is determined that my dog requires veterinary care, the staff will make every effort to contact me or my emergency contact. If necessary, they will attempt to take my dog to our preferred veterinary clinic. If that clinic is unavailable, Randr Pups staff will transport my dog to a trusted local veterinarian. I agree to be responsible for any associated expenses and authorize my veterinarian to treat my dog up to a maximum amount of \$ _____ (recommended: \$500).

Initial: _____

Health and Illness

I understand that Randr Pups is not liable for any unexpected illnesses that are not directly related to the care provided during my dog's stay. If my dog experiences a mild upset stomach, the staff may initially treat it with pure pumpkin or slippery elm for diarrhea, unless an allergy is noted on file.

If another dog becomes ill during my dog's stay, the staff will promptly inform me so that I can monitor my dog for any potential symptoms.

Hygiene and Preventative Measures

Randr Pups takes every precaution to prevent the spread of disease. All runs are disinfected daily, dishes are washed after every meal, and water buckets are replaced daily. Due to increased exercise and excitement, some dogs may experience mild diarrhea, which typically resolves after a couple of days at home. It's also common for dogs to sleep more than usual for a day or two after returning home. All staff members are certified in Animal First Aid.

Personal Items

I do not hold Randr Pups responsible for any lost, broken, or damaged personal items (e.g., toys, beds) left in their possession during my dog's stay.
